Dear Mr. Herbert:

On September 20, 2004, United Systems Access Telecom, Inc. The application is not yet sufficient. This data request lists the information Staff needs to complete its analysis of your application. Please treat this, as Staff's first set of data requests to USA in the above-referenced matter.

For purposes of this data request set, the words "USA", "Applicant", "the Company", "you", and "your" refer to United Systems Access Telecom, Inc. and any representative, including every person and/or entity acting with, under the control of, or on behalf of United Systems Access Telecom, Inc. For each answer, please identify by name, title, and address each person providing information that forms the basis for the response provided.

These data requests are continuing, and your answers or any documents supplied in response to these data requests should be supplemented with any additional information or documents that come to your attention after you have provided your initial responses.

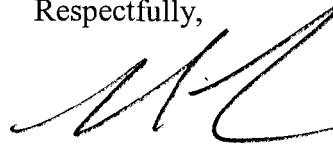

Please provide Docket Control with the information being requested within **10 days** of the date of this letter. Mail an original plus 13 copies to Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received or all deficiencies are not remedied within 10 days, Staff will recommend that the application be terminated as per Rule R14-2-1103(B)3 and R14-2-510(E)3. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.
